

PlantNetwork

Connecting gardens, sharing skills

PlantNetwork Membership Categories

You can choose to join PlantNetwork as an individual or as an institution. The only difference is the number of people who are included in the membership:

- student and individual memberships entitle one named person to benefit from membership; or,
- institutional membership permits the whole horticultural team (from one to >201) to profit from membership. Select from the five institutional membership categories that best reflects the size of your team.

As an institutional member, you can sign your staff up to receive the weekly newsletter and other benefits by either forwarding the names and email addresses of your team (with their prior approval) to the PlantNetwork Coordinator or encouraging your staff to sign-up using the [Newsletter](#) button on the PlantNetwork website (green button, top right on all pages).

Institutional members also benefit from a 50% saving for advertising jobs via the PlantNetwork newsletter.

| Membership category | Fee (£) |
|---|---------|
| Student (please state course and end date) | 15 |
| Individual (open to all) | 40 |
| Garden or organisation with <20 horticultural staff | 150 |
| Garden or organisation with 21-50 horticultural staff | 300 |
| Garden or organisation with 51-100 horticultural staff | 600 |
| Garden or organisation with 101-200 horticultural staff | 900 |
| Garden or organisation with 201+ horticultural staff | 1,200 |

If you are unsure which category best suits your organisation or would simply like to find out more about membership of PlantNetwork, please contact the PlantNetwork Coordinator:

Email: office@plantnetwork.org

Telephone: 01535 382214

Thank you for your interest in PlantNetwork and we very much look forward to welcoming you to the network!
